

NOLA RED'S

LITTLE PAWS BIG STEPS
— FOUNDATION —

*Every Story
Changes
a Life.*

Inspired by *The Big Adventures of Little Nola Red*, a children's book series that teaches lessons about *courage, kindness, perseverance, friendship, and believing in yourself.*

Net proceeds from book sales, merchandise, and fundraising efforts help support our mission.

The values found in Nola Red's adventures inspired the creation of **Nola Red's Little Paws Big Steps Foundation**, a 501(c)(3) nonprofit organization dedicated to making a difference in the lives of children and rescue dogs.

Together, we're creating brighter futures for children while giving rescue dogs a second chance.

PROMOTE LITERACY

Through *The Big Adventures of Little Nola Red* and future educational programs, we encourage children to develop a lifelong love of reading while learning important lessons about kindness, courage, perseverance, and believing in themselves.

OUR FOUR PILLARS

STAND UP TO BULLYING

We help children understand that our differences make us unique—not less valuable. We encourage empathy, inclusion, confidence, and the courage to stand up for others.

SUPPORT EDUCATION

Our Little Paws Big Steps Scholarships recognize students who demonstrate kindness, leadership, resilience, community service, and a commitment to helping others—including animal rescue organizations. Whether attending college or trade school, we want to help students take the next big step toward their future.

HELP RESCUE DOGS HEAL

We provide financial assistance to rescue organizations to help cover veterinary care, surgeries, medications, and other life-saving treatments that give these deserving dogs a second chance.

HOW YOU CAN HELP

DONATE

Support school programs, scholarships, and rescue dog vet bills.

PARTNER

Partner with us as a school, rescue, or community organization.

VOLUNTEER

Volunteer your time or talents to help us grow our impact.

Every contribution helps create a kinder, more compassionate future!

One little Chihuahua with a big purpose.
